Three generous sized bedrooms each with a luxury ensuite and generous living spaces mean there is plenty of room for family or guests. The entire front of this suite is glass making the breathtaking view the most stunning feature of this penthouse.

The Tower penthouse is an entire floor of luxury. Offering two kitchen areas, a gentleman's room, three large bedrooms with ensuites and generous living areas this is the most spectacular penthouse. And with the only private roof top pool in Mount Maunganui this residence is for those who truly value the finer things in life.
