

Podium Apartments

The Podium apartments form the base on which the two towers are built. These apartments are two levels offering easy street access coupled with views from the upper level.

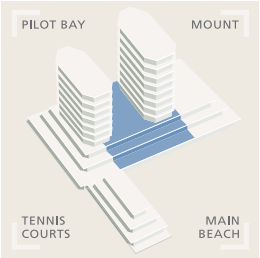

Ideal for couples wanting a seaside retreat, the Podium apartments have been cleverly designed to maximise space and natural light. They have two decks including a garden courtyard perfect for a leisurely brunch or evening meal.

One and two bedroom apartments are available.

Podium apartments come with one carpark and access is straightforward from the same level as parking.
